

## Don't Buy From Your Competitor

Unlike other concrete pump manufacturers, Pumpstar markets its concrete pumps and spare parts directly to the consumer. Why be forced to purchase from your competitor and contribute to their profits? Call (800) 883-2186 or e-mail [marketing@pumpstar.com](mailto:marketing@pumpstar.com) today to request a quote.

---

## New and Used Equipment Available For Sale

Pumpstar has new and used concrete pumps available for immediate delivery. Available boom sizes range from 32 meters to 50 meters on either a Mack or a Condor chassis. Call (800) 883-2186 or e-mail [marketing@pumpstar.com](mailto:marketing@pumpstar.com) today to request a quote.

---

## Pump Demonstrations

Pumpstar is currently conducting concrete pump demonstrations throughout the US. Let our factory-trained field technicians show you the superior features and operational benefits of a Pumpstar concrete pump. While they're in your yard, schedule service or a boom inspection on your current concrete pumps. Call (800) 883-2186 or e-mail [marketing@pumpstar.com](mailto:marketing@pumpstar.com) today to request a demonstration. Your Regional Sales Manager will contact you to schedule a demonstration.
